

Equipment in this lab is on a timer

Please ask your lab manager if you wish to override or adjust a timer.

Average annual energy costs (S-Labs)

| | |
|-------------|--------|
| Water bath | £300 |
| Incubator | £300 |
| Ice maker | £900 |
| Drying oven | £1,000 |

Ice makers and drying ovens work particularly well with timers.
